Changes are Coming!!

The 2011-2012 Chapter Achievement Awards form has undergone a major revision! Now, all sections pertaining to chapter and individual member financial contributions will be located on page 1 of the form. All chapter activities and programs will be located on page 2 of the form.

Chapters are encouraged to financially support the four mission objectives of the National Society—namely the historic, educational, patriotic and administrative areas- in an unrestricted manner. The new CAA form will help chapters reach these goals.

Please study the following pages included so your chapter will continue to make the levels it did last year. Feel free to call or write me at any time if any questions arise!!

NOTE: Electronic Reporting - With the expanded use of computers to complete the various chapter reports, the electronic Chapter Achievement Awards form will be available for use by the chapter in late fall 2011. Please note, chapters are encouraged to use the electronic version of submitting this report form (when available) but the paper method is still acceptable. The deadline of February 1 remains despite which method is used to submit this report. There will be an update by this chairman as to when the Electronic Reporting is available to the chapters.

REMEMBER!

The 2011-2012 CAA time frame runs from March 1, 2011 to February 28, 2012
